What must every RE Agent know about the IRS?

Myth: If my deductions are *reasonable*, the IRS will not audit me.

Never enter the ring without knowing your opponent, and never file a tax return without knowing what returns and deductions the IRS targets. Learn recordkeeping practices that will keep you out of the IRS's crosshairs.

- Learn how tax returns are selected for audit
- Learn why Real Estate agents get in trouble with the IRS
- Record keeping that will satisfy your CPA and an IRS Agent.
- Open Q&A – Ask anything from this **veteran auditor of 25+ years**

“Despite the vastness of the material covered, I found Pat incredibly engaging, funny, and always relevant.”
