### What are the tax advantages of hiring help?

**Myth: Hiring family members will get me in trouble with the IRS.**

What if you could turn your turn kid's allowance money into a deductible business expense? Incorporate your business to enjoy and deduct tax-free *employee fringe benefits* such as health insurance and company car.

- Learn significant tax advantages to hiring family (spouse, kids, etc.).
- Keeping payroll taxes simple. IRS rules when employing family.
- Tax strategies associated with incorporating (ex: fringe benefits)
- Open Q&A – Ask anything from this **veteran auditor of 25+ years**

**“Despite the vastness of the material covered, I found Pat incredibly engaging, funny, and always relevant.”**
